**TERMINAL DISCLAIMER TO OBLViate
A DOUBLE PATENTING REJECTION**

The owner, Cisco Technology, Inc., having a place of business at 170 West Tasman Drive, San Jose, California 95154, assignee of the entire right, title and interest of the above described U.S. Patent Application No. 10/660,412 filed September 10, 2003, for VOICE-MAIL APPLICATION ON THE ROUTER WITH NO SECONDARY STORAGE AVAILABLE, by assignment recorded in Reel/Frame 014496/0726 on September 10, 2003, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term for prior patent No. 6,625,142, as the term of said prior patent as defined in 35 U.S.C. 154 and 173, and as the term of said prior patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of the term of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of the prior patent, "as the term of said prior patent is presently shortened by any terminal disclaimer," in the event that said prior patent (1) later expires for failure to pay a maintenance fee; (2) is held unenforceable; (3) is found invalid by a court of competent jurisdiction; (4) is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; (5) has all claims canceled by a reexamination certificate; (6) is reissued; or (7) is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is an attorney of record for the instant application.

The fee prescribed under 37 CFR 1.20(d) is being paid electronically by credit card.
